Living a True Nature

Meet Our Range

MILLE

HIGANTEE⁺

ARTU

BOLEFLOOR

TIKOVINE

Splendors Series

Precisely crafted entirely from top grade hardwood materials, the Splendor by Lantekayu range features naturally exotic wood flooring products imported from the best sustainable sources.

On top of the vivid wood grains and consistent color tones, Splendor products are known for their excellent resistance against temperature changes and moisture, giving your interior and outdoor spaces the splendid beauty of nature that lasts for years.

Sustainable Forestry

Lantekayu's Splendor products are designed to be environmentally safe, in line with Lantekayu's conscious commitment to only offer responsibly sourced wooden floorings.

From engineered parquet to solid wood planks, every premium product range is sourced from sustainable forests without compromising quality. That way, we can truly bring you nature's beauty in a truly ethical way.

The Beauty that Lasts

Versatile yet elegant in nature, wooden floorings give out an alluring radiance that brings life to any decor. With many variations to choose from, wooden floorings aren't limited to just rustic and vintage themes.

Each wooden flooring style carries a unique personality that complements any setting. The Splendor series come in warm, rich shades that offer a good contrast to modern nuances, as well as light tones that add a minimalistic touch to a brighter room. It's amazing how natural wood can create a breathtaking visual impact to any interior and exterior design.

MILLE

Warm and homie in appearance, Mille engineered wood flooring adds a relaxing touch that promotes calmness in homes and offices alike. Made of handpicked white oak wood, its vivid grains convey a luxurious appeal. Mille comes in a range of soft tones that you can choose from, each carrying consistent colors that pair perfectly with any piece of furniture.

Type : Engineered Parquet
Species : White Oak
Dimension : 18(4) x 150 x 1800 mm

See the Mille Collection on Our Website

HIGANTÉE⁺

Higantee is an exceptionally durable engineered wood flooring option made of three layers of solid white oak. Carrying a more rustic personality, Higantee comes in wider and longer planks that are easy to install yet more resistant to moisture and daily wear, making it a hassle-free option fit for any cozy atmosphere.

Type : Engineered Parquet

Species : White Oak

Dimension : 22(6) x 190 x 1820 / 2130 / 2450 mm

See the Higantee Collection on Our Website

Artu

With a light, white-greyish tone, Artu is an ash wood flooring that's dense yet flexible, thus able to withstand daily wear and temperature changes while still looking new and pristine.

Because of its beautiful grains and uniquely monochrome appearance, Artu is a popular option that conveys a minimalistic appeal, making any room seem brighter and more spacious. It is also uncommonly found due to its limited availability, but that only makes it an even more prestigious wood flooring choice.

Type : Engineered Parquet

Species : White Ash

Dimension : 18(6) x 190 x 1820 / 2130 / 2450 mm

BOLEFLOOR

Bolefloor is the world's first wood flooring brand that truly follows the natural contours of the tree. Bolefloor products give nature the spotlight by minimizing wastes and preserving the tree's natural beauty, all while letting the tree's curves and imperfections become the center of the personality.

Breaking the industry norm, Bolefloor brings seamlessness between home and nature and employs top-notch technology to produce quality solid wood flooring products.

Type : Engineered Parquet
Species : White Oak

Tikovine

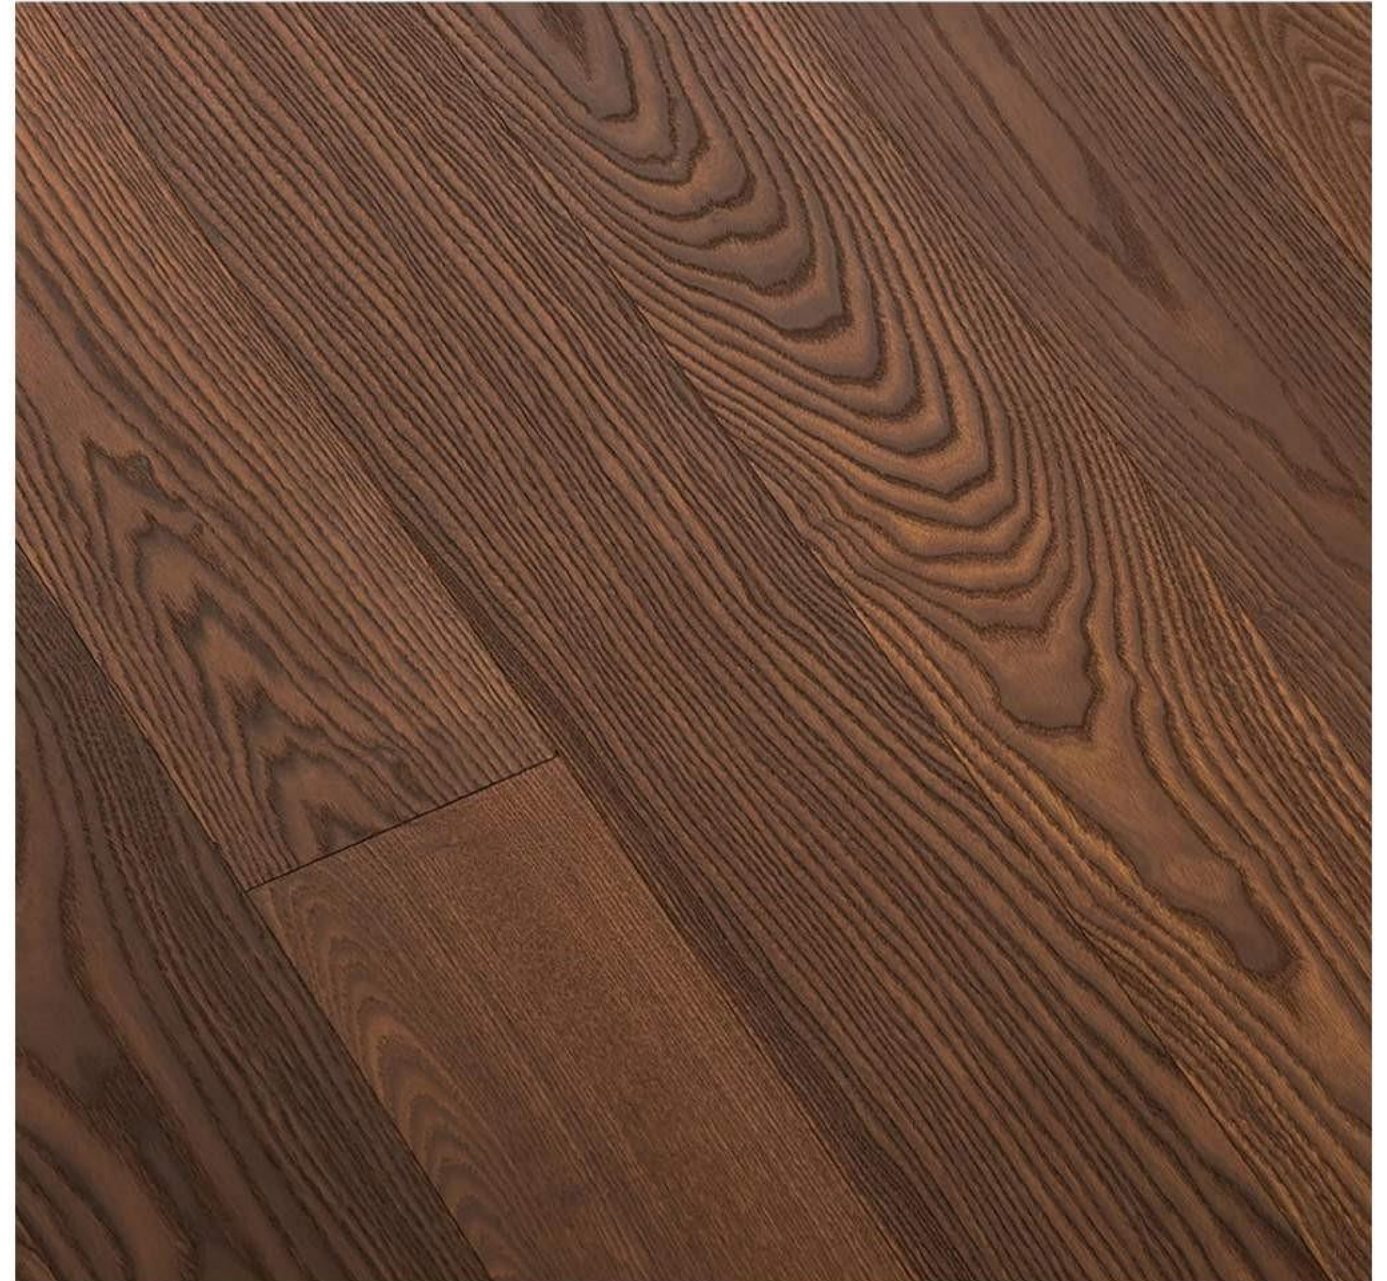

indoor

Crafted out of solid ash wood, Tikovine is an extremely durable and termite resistant solid wood flooring that carries rich, stunning colors for a more affluent atmosphere.

In the production process, the Tikovine goes through thermo-treatment to ensure that it's stable enough to withstand prolonged exposure to weather and let alone moisture. This makes it the perfect choice for both outdoor and indoor applications.

Type : Solid Flooring
Species : Thermo Ash
Dimension: 14 x 120 x 1800 mm
17 x 138 x 2400 mm

The Best Things in Life are Natural

A beautiful floor plays a major role in defining the mood and personality of any space.

It's part of the decor yet also the main foundation that determines the choice of furniture and how a person feels the moment he or she steps into the space. When the wood flooring is exquisite, the rest will come to life naturally.
